

**Human Resource Letter No. 13-09**

**Separate Medical, Pharmacy Cards Will Be Mailed in December**

Employees enrolled in the State Health Plan for 2014 will receive new identification cards by December 31, 2013. BlueCross BlueShield of South Carolina will issue health insurance cards. Catamaran will issue pharmacy benefit cards. These cards are not interchangeable. You must use the BlueCross card to obtain medical services, and you must use the Catamaran card to fill prescriptions. Click [here](#) to view samples of each of the cards.

Please be on the lookout for these cards and mindful not to disregard them, as many of you are inundated this time of year with other insurance mailings. The official State Health Plan identification cards will be plastic, and they will have the PEBA logo. Should you have any questions, please feel free to contact me at 737-5671 or by [email](#).

Thanks  
Cathy
